ACCESS SOFTEK, INC

# Morpheus® Online Banking

## Omnichannel Digital Banking

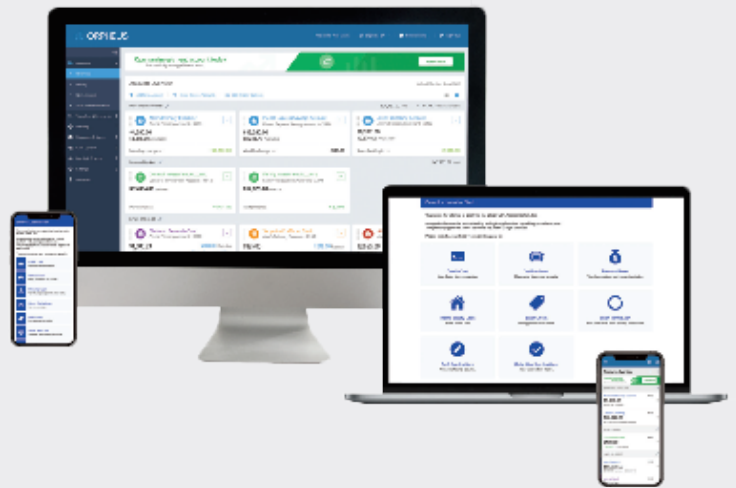

Our innovative, intuitive solution simplifies the way your members move money. Go to market with the most cutting-edge digital banking innovations as quickly as possible. Take advantage of our one-day Rapid Deployment feature installations.

### Killing the Password Across Platforms

Password issues are the single biggest obstacle users and call centers face. Solve that problem with unique biological identifiers like fingerprint, voice, and facial recognition. No extra hardware needed.

### Targeted and Traditional Marketing Methods

Highly configurable ad real estate, secure group/individual messaging, and Triggered Events help share your services with a wide audience and even target specific groups or individuals.

### Powerful Configuration Options at your Admins' Fingers

Unleash the full potential of our industry-leading platform with our user-friendly admin tool. Activate new features, configure on the fly, create custom applications, and deliver our full capabilities to your membership.

For more information about how your credit union can engage members and non-members with this valuable resource, email [consult@myleverage.com](mailto:consult@myleverage.com).
