

LENDERFUL HOME EQUITY PLATFORM

A next-generation home equity solution

Engage your members with an online self-guided process featuring your real-time rates and loan programs.

Offer a simplified, modern way to get a home equity loan or line of credit. Like the simple, elegant sophistication of our Digital Mortgage Platform, engage your borrowers in a self-guided process that allows them to learn about the difference between a loan and line of credit, determine

how much they can and would like to borrow and select the program that best meets their needs.

The platform is available online from a smartphone, tablet or a computer, and you can customize the solution to fit your credit union's personality with your unique branding.
