Connect Your Members to More of What They Love

The wireless world is changing, and WiFi is now at the center with 80% of mobile data traffic traveling over WiFi, only 20% are connected to cellular networks, making WiFi a key solution to mobile data consumption. This is why Spectrum entered the wireless market in 2018 and is now one of the fastest-growing mobile service provider.

Members can save up to 60% on their wireless bill when they switch to Spectrum, PLUS they can get a \$50 cash rewards for each new mobile activated with Spectrum through the Love My Credit Union Rewards program.

The Love My Credit Union Rewards Spectrum mobile offer helps you provide your members with an irresistible, loyalty-building value addition. Your credit union can help members save on a monthly expense that most consider to be an essential service. Your credit union remains top of mind whenever a member enjoys savings in their day-to-day life.
