

MOBILE AND INTERNET SERVICES

Love My Credit Union® Rewards is bringing even more value to our participating credit unions and their members with two great partners, Xfinity and Spectrum! We LOVE credit unions and their members, and we are constantly working to deepen the value of membership through tangible savings on products and services they use every day.

Americans spend close to \$300 billion on wireless products and services each year. Members can save when they switch and get the best of both worlds with internet and mobile together, plus get a cash reward for each new mobile line activated with Xfinity or Spectrum.

MOBILE & INTERNET SERVICES

Connect Your Members to More of What They Love

From streaming to scrolling to texting, everyone uses their devices differently. That's why Xfinity and Spectrum are bringing their most reliable 5G networks to your members so they can stream, surf, download and game without worrying about draining their data.

Members can mix shared and unlimited data options, all on one plan, with more opportunities to bundle and save. Members can get unlimited data and nationwide 5G starting at just \$30 per month with 2+ lines on Spectrum, and with 4 lines on Xfinity. Or they can choose By the Gig and pay for exactly what they need.

When your members are on the go, they can stay connected anytime, anywhere with nationwide WiFi at no extra cost.

The new Love My Credit Union Rewards Mobile and Internet Services program helps you provide your members with an irresistible, loyalty-building value addition. Your credit union can help members save on a monthly expense that most consider to be an essential service.

Your credit union remains top of mind whenever a member enjoys savings in their day-to-day life.
