***LEVERAGE* Announces Strategic Partnership with Credit Union Audit Group and Thoroughbred Business Services**

TALLAHASSEE, FL – *LEVERAGE*, the service corporation of The League of Credit Unions & Affiliates, is pleased to announce a new strategic partnership between Credit Union Audit Group and Thoroughbred Business Services, the service arm of Kentucky’s Credit Unions. Through this collaboration, Credit Union Audit Group joins Thoroughbred’s Relationship Rewards Program as a Platinum-level partner, expanding access to trusted audit services for credit unions across the Commonwealth of Kentucky.

“Partnerships like this are a natural extension of *LEVERAGE*’s mission to connect credit unions with high-quality, cooperative-aligned solutions,” said Lindsey Cole, Chief Operating Officer of *LEVERAGE*. “By working alongside Thoroughbred Business Services, Credit Union Audit Group can meet credit unions where they are—providing consistency, expertise, and value while reinforcing the cooperative principles that define our movement.”

Credit Union Audit Group specializes exclusively in serving credit unions, offering audit and assurance services designed to strengthen internal controls, reduce risk, and support sound governance. Through the Relationship Rewards Program, this partnership also delivers direct financial value back to participating credit unions.

“This collaboration allows us to deepen our relationships with Kentucky credit unions while continuing to provide the high-touch, credit-union-only service our members expect,” said Marcus King, Vice President of Credit Union Audit Group. “Being part of the Relationship Rewards Program means we are not only supporting credit unions through strong audit services but also contributing tangible value back to them.”

Through this partnership, credit unions gain access to:

- Comprehensive audit and assurance services delivered by professionals who work exclusively with credit unions.

- A consistent, high-quality audit experience grounded in an understanding of the unique regulatory and operational environment credit unions navigate.
- A collaborative, transparent approach focused on long-term financial stewardship.

As a Platinum-level partner, Credit Union Audit Group participates in Thoroughbred's Relationship Rewards Program, which reinvests directly into credit unions. Kentucky credit unions that utilize Credit Union Audit Group's services earn a 25% rebate on their annual purchase amount, with rebates accruing throughout the calendar year and distributed annually through the program's revenue-sharing model.

LEVERAGE is proud to support this strategic partnership, which strengthens service offerings for Kentucky credit unions while advancing shared goals around governance, risk management, and cooperative value. Together with Thoroughbred Business Services and Credit Union Audit Group, *LEVERAGE* remains focused on helping credit unions build strong operational foundations and continue delivering reliable service to their members.
